## THE TEACHER BIBLE SCHOOL

Sometimes an idea comes along whose time is right. We think this about the exciting and new concept of the **TEACHER BIBLE SCHOOL**. The concept is that a textbook has been developed that is purchased by every student who is enrolled in the a TB School. The **Teacher Bible Textbook** is now coming off the press. It is being marketed worldwide. The Textbook is printed and marketed out of Chennai, India under the directorship of **DAVID MARTIN**, of the **India Bible Resource Centre**. This **2,450 page** Textbook has been printed primarily to establish **Teacher Bible Schools** in India, but arrangements have been made for others throughout the world to pay for the a palletized shipment of **148 Textbooks** for their schools. The Textbooks are **free** for the first shipment, though the recipients must pay for the shipping.

A **Teacher Bible School** is a simple concept of encouraging guided Bible study with Bible loves within any community. Schools usually run **weekly** for a period of **ten** (10) months. There are **no exams** or assignments to prepare. Only **assigned reading** is given **for one week**, and students, under the direction of a facilitator / teacher, discuss the material that has been assigned in the Textbook. For greater discussion, class enrolments are usually no more then **10-15 participants**. The offer for enrolment is extended to everyone in a particular community.

The **Teacher Bible Textbook** is a lifetime possession! The concept of the **Teacher Bible School** is a great opportunity to introduce Bible students of all religious groups to a new source of Bible study and teaching for the rest of their lives. If you are interest in establishing a **Teacher Bible School** in your area, please email David for the cost of shipping a pallet of TB Textbooks to your country:
