Incarnational Humiliation

Growing In Gospel Living: Shelf 2 — Volume 15

Volume 15 takes students on a spiritual journey into the eternal sacrifice that the Son of God made in order that we might be transformed into a glorious body for eternal dwelling. The meaning of 1 John 3:2 is better appreciated as we understand the extent to which the Son of God came into our flesh, giving up the form of God, in order to go to the cross in order that we be with Him in heaven.
