NEW TEXTBOOK for A NEW SCHOOL CONCEPT

One of the most exciting adventures of living the gospel to which one has initially responded in baptism, is to grow in grace and knowledge of the Lord Jesus Christ through diligent Bible study (See 2 Pt 3:18). In our infatuation with God's grace, through our Bible study we know that we are growing in nobility in the eyes of God (At 17:11). In order to encourage this noble adventure, excited disciples of Jesus have been diligently studying the word of God with the aid of the new and revised **Disciple Study Bible (DSB)**.

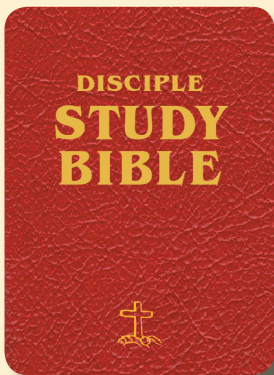

DISCIPLE STUDY BIBLE

Having been first published in 2001, throughout the years we have printed and distributed over 2,000,000 copies of our **International King James Version (IKJV)**, with the **Encyclopedic Bible Study Guide (EBSG)**. (Over 20 years ago we once sent a shipping container of 100,000

to the country of Liberia.) But now there is a **NEW** and exciting edition that we refer to as the **Disciple Study Bible**.

This is the new edition to aid **Disciple Bible Schools (DBS)**. This edition is new in four ways: (1) The volume is formatted as an attractive volume in **A5** size. (2) The **EBSG** has been revised and expanded to **125 pages** in the new volume. The **EBSG** now meets all the needs of Bible students who want to study introductory topics that one should know concerning the Bible. (3) There are now thousands of subjects in the **EBSG** to aid in one's preaching and teaching of the Bible for a lifetime. (4) The new **DSB** is now printed in Chennai, India by the **India Bible Resource Centre**.

DISCIPLE STUDY BIBLE SCHOOLS

With the growing concept of using the DSB as the textbook for group Bible studies by local Christians, the demand has grown for a new and exciting edition of the DSB. The first editions have now been printed for churches across the nation of **Namibia**. If you live in Namibia, you can access this Textbook by WhatsApping **Claryce Lawrence** at **081 294 0487**.

YOU CAN ESTABLISH YOUR OWN DISCIPLE BIBLE SCHOOL

With the growing desire to use the **DSB** as a textbook for group Bible studies, the demand has grown to produce this new edition of the **DSB** with an expanded **EBSG**. If you want to establish a **Disciple Bible School** in your community, the following are some suggestions:

► If you live in Namibia, you can contact Claryce Lawrence for the special edition of the **DSB** in Windhoek. She will provide the cost per volume of this unique study aid.

► In order to conduct a DSB school, do the following: (1) Organize together a group up to 10 Bible-loving and evangelistic people for a weekly 2-hour study session. (2) Determine favorite subjects from the **DSB** that will be discussed in the

following meeting. (3) Determine reading assignments in the Bible text, as well as the **EBSG**. These assignments must be completed before the next class meeting. (4) Establish the number of classroom discussion sessions to have before the graduation and certificate presentation.

Searching For 5,000 Orders
