International Bible Institute Library

Encyclopedic Bible Study Guide

Grow In Grace & Knowledge: Shelf 4 — Volume 31

THIS IS TRULY BREAKING NEWS FOR ALL PREACHING AND BIBLE TEACHERS AROUND THE WORLD!

Sometimes a Bible study aid comes along that every preacher and Bible school teacher must have. Under other titles, the *Encyclopedic Bible Study Guide* was and is one of those aids. This Bible study aid first came from the press in **1972**, and has since that date gone through many printings throughout the world.

Several editions subjects have been added to the original printing, but the core subjects of the book have now become a part of the **International WhatsApp Bible Institute Curriculum**. You need to go to the curriculum library of this website and download from **Shelf 4, Volume 31**. This is one of those Bible study aids that people need to have on their smartphones around the world. You can help in this mission!

Please download the volume and share it with all your WhatsApp friends. Hundreds of thousands of the hardback format have been printed and distributed worldwide. But now it is the season to distribute the e-book version that has been **specifically formatted for smartphone study**. You need this volume on your smartphone. If you have to preach or teach a special subject, this is the volume of the library that you need to have on your smartphone. Please share it with everyone on your WhatsApp phone lines.
