## DICKSON TEACHER'S BIBLE COMMENTARY

We received a fantastic call from **Dr. Henry Frimpong** in **Accra, Ghana**. He reported that the **TEACHER'S BIBLE COMMENTARY** had arrived in Ghana, cleared customs, and was now in the process of being distributed nationwide. Copies have been presented to the religious broadcasting radio station with a listening audience of over **FOUR MILLION!** It is also being distributed to the religious leaders of all faith nationwide. Dr. Frimpong reported that his team is now in the possibility of ordering more volumes from Amity Printing in Nanjing, China, the world's largest Bible distributor. This is indeed a heart-warming moment to see the TB Commentary being sold in order to replenish the stock in the years to come. It is our prayer that the Commentary will be available throughout Ghana for the next 100 years. If you live in Ghana, and want to purchase a copy, email . . .
