If you are looking for courses that will enhance the spiritual growth of Bible school students, then here are those three courses that have been released for worldwide distribution. Download them free from www.roger-e-dickson.org

INTERNATIONAL BIBLE INSTITUTE

Growing In Gospel Living: Term 2 — Course 15

Incarnational Humiliation

Course 15 takes students on a spiritual journey into the eternal sacrifice that the Son of God made in order that we might be transformed into a glorious body for eternal dwelling. The meaning of 1 John 3:2 is better appreciated as we understand the extent to which the Son of God came into our flesh, giving up the form of God, in order to go to the cross in order that we be with Him in heaven.

INTERNATIONAL BIBLE INSTITUTE

Road Map To The Cross

Gospel Foundation Of Faith: Term 2 — Course 16

Course 16 is life-changing. One cannot claim to be a believer in the Son of God without appreciating the sacrificial journey of the Son of God to a cross outside Jerusalem.

INTERNATIONAL BIBLE INSTITUTE

Gospel Transformation

Growing In Gospel Living: Term 2 — Course 17

Course 17 is about life change that is based on the example of the Son of God coming and living in this world. This is the course to study in order to transcend from the confinement of this world into a life that is founded upon the gospel of the Son of God. As other IBI Curriculum courses, download and share this course with all your friends.
