The Study Bible School

► Because of thousands of zealous Bible teachers throughout our nation, a new and unique Bible textbook has been produced to enhance and equip Bible teachers to fulfill their desire to teach in small groups the word of God to every disciple.

► Used as a textbook for organized Bible study, the Disciple Study Bible came into production in order to fulfill the unquenchable thirst of dedicated disciples to the word of God, as well as to offer a unique Bible study textbook for organized Bible study.

The Disciple Study Bible

■ The *Disciple Study Bible* contains both the Old and New Testaments. ■ The *Disciple Study Bible* has scripture references that follow every chapter of the Bible. ■ The *Disciple Study Bible* is an easy-to-read translation of the Bible. ■ The *Disciple Study Bible* contains the *Encyclopedic Bible Study Guide* that leads Bible students through major Bible subjects that every Christian should know. ■ The *Disciple Study Bible* contains hundreds of Bible study outlines that enhance preaching and teaching of the Bible. ■ The *Disciple Study Bible* contains an Index of hundreds of key subjects that are mentioned throughout the *Encyclopedic Bible Study Guide* in reference to Bible knowledge.

We encourage all Bible teachers to establish a *Disciple Study Bible* school in their community. Become a part of thousands who are diligently teaching the Bible in their homes in order to bring people together to know God through the gospel of our Lord Jesus.
